Alex – am about to turn this down since you will be at PFAS Summit (first day) but wanted to be sure before doing so –

Your plans are to attend entire both days of PFAS Summit – correct?

Jane - I am wondering if Ms. Dunn has confirmed her calendar yet and if she can participate? (GSA) John (HHS) and Wendall (SBA) are registered. I would love for you to be there. I plan to give each Schedule C time on the agenda (5-10 minutes) to discuss your role and priorities. THANKS!

The Greater Boston Federal Executive

Board's (@BostonFEB) invites you to our Federal Executive Forum* on Tuesday May 22, 2018 from 12-2pm in Boston, MA

About the Forum: It has been a challenging few years for the federal workforce with two government shutdowns, ongoing short term Continuing Resolutions, several significant natural disasters that have taxed our resources, and more. This forum is intended to provide you with the opportunity to share your leadership challenges, and successes, in an informal setting, and to network. It also provides a manner for us to say THANK YOU to you for your leadership.

President Trump's Appointees (invited:) Traditionally, the New England Region hosts between 25-35 Presidentially-appointed (Schedule C) Agency leaders during each Administration. These key leaders lead, and work alongside the civilian workforce to advance White House priorities. Join us to meet those who are on board thus far and learn about their work.

Registration requested by May 1: We know that making schedule commitments this far in advance is often challenging. That said, we don't want to spend funds needlessly.

***Launched last year, this forum is intended to provide a platform for members of the Senior Executive Service (inc. SES candidate development participants) Civilian, Military and other regional agency leaders to network, and to collaborate, communicate and cooperate around significant issues in the federal government.**

There is no charge for the program. RSVP is required no later than 1 May 2018
